To Whom It May Concern,

It is my pleasure to serve as a reference for Prochaska & Associates. Our relationship spans over 20 years and includes the planning and design of a state-of-the-art facility for the Children's Respite Care Center in Omaha, Nebraska.

Don Prochaska and his team became a true partner and friend of CRCC, spending countless hours learning about our business, the clients we served, the needs of the staff and understood that it was imperative we remain good stewards of donor contributions. The final result was nothing less than amazing, beautiful and incredibly functional.

While my role with CRCC has changed from Co- Founder and COO to dedicated Board Member, my relationship and respect for Prochaska & Associates has not waived. I can confidently recommend this firm and its associates to any community or organization that wants a positive and high quality experience from start to finish.

Best regards,

Christine Johnson
Former CRCC Co-Founder
Current President
