RE: Letter of Recommendation

Dear Curt:

We have appreciated the opportunity to work with yourself, Bill Huey and the rest of the Prochaska & Associates team on recent construction projects and Design-Build pursuits. We would be pleased to be included as a reference for your team in future pursuits with potential clients.

For reference, our work history together includes:

- Richardson County Law Enforcement Center Addition & Renovation in Falls City, NE.
 - A difficult remodel on a tight budget. Very successful result & happy client.
- Nemaha County Law Enforcement Center Addition in Auburn, NE
 - A Design-Build project on a tight budget and small footprint that turned out very well.
- Educational project pursuits that highlighted Prochaska's creative strengths

We feel confident in recommending Prochaska & Associates to owners for design services based on the following:

- **Comprehensive Design Services** integrating not only architecture but civil, structural, mechanical and electrical engineering into the project provided the following benefits:
 - Expedited the design process
 - Documents were well coordinated
 - Cost efficient project
 - Limited the amount of change orders
- **Common Sense & Practical Approach** to design & construction
- **Experienced, Knowledgeable Staff** ready to help solve problems
- **Creative** design concepts & renderings
- **Strong Background in Law Enforcement/Justice** work as well as **Educational** projects

Let us know if we can be of further assistance. We look forward to working with your team again!

Sincerely,
